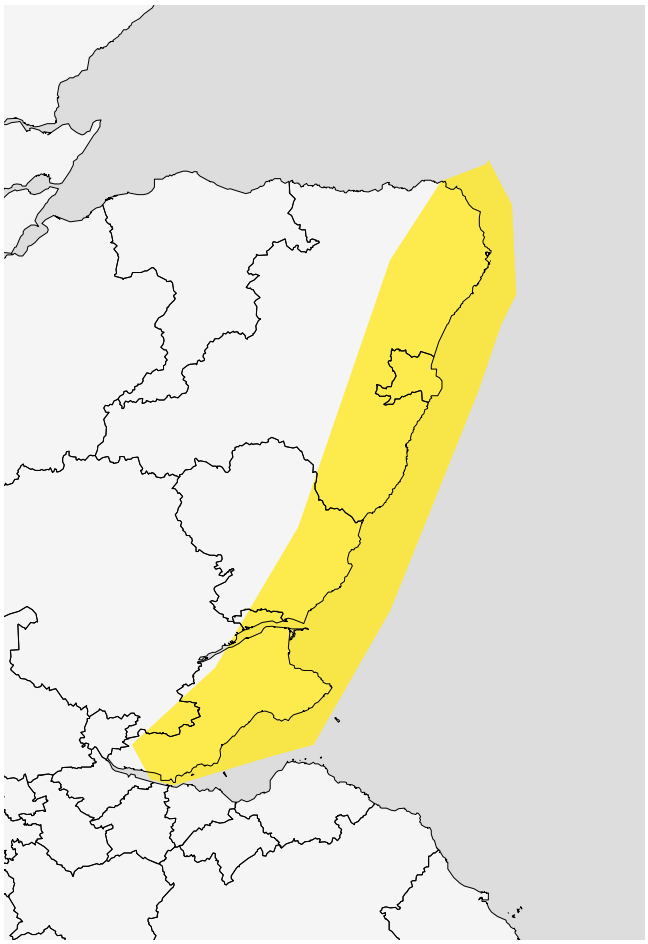
Yellow warning
**Wind**

Between
**12:00 Fri 20 Oct 2023** and
**12:00 Sat 21 Oct 2023**



## Strong easterly winds will continue into Saturday morning across parts of eastern Scotland.

### What to expect

- It's likely that some coastal routes, sea fronts and coastal communities will be affected by spray and/or large waves
- Delays for high-sided vehicles on exposed routes and bridges likely
- Probably some bus and train services affected, with some journeys taking longer

### Further details

Easterly gales, accompanied by gusts of 50 to 60 mph are likely, extending a short way inland. These will be accompanied by large waves and dangerous coastal conditions.

Winds will ease from the south through Saturday.

### Reason for update

Warning area has been reduced in size with winds having now eased across NE England and parts of SE Scotland
